

26th IEEE International Requirements Engineering Conference

August 20 - 24, 2018 - Banff, Alberta, Canada

RE'18 invites original submissions in all areas of Requirements Engineering including requirements elicitation, specification, management, negotiation, traceability, creativity, modeling, analysis, verification, and evolution.

GENERAL CHAIR

Guenther Ruhe, University of Calgary, Canada

PC CO-CHAIRS

Walid Maalej, University of Hamburg, Germany

Daniel Amyot, University of Ottawa, Canada

DONORS & SPONSORS

PLATINUM SPONSOR

GOLD SPONSOR

SILVER SPONSOR

SCHULICH School of Engineering

tcse IEEE Technical Council on Software Engineering

UNIVERSITY OF CALGARY

Universität Hamburg

ATTENTION: WORKSHOP PAPERS DUE JUN 12, 2018

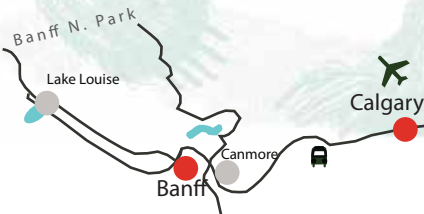

- 5th International Workshop on Evolving Security & Privacy RE
- 4th International Workshop on RE for Self-Adaptive, Collaborative, and Cyber Physical Systems
- 1st International Workshop on Learning from other Disciplines for Requirements Engineering
- 8th International Model-Driven Requirements Engineering Workshop
- 7th International Workshop on Requirements Engineering for Sustainable Systems
- 7th Workshop on Empirical Requirements Engineering
- 1st International Workshop on Affective Computing for RE
- 5th International Workshop on Artificial Intelligence for RE
- 8th International Workshop on Requirements Engineering Education and Training
- 1st International Workshop on Quality Requirements in Agile Projects
- 1st International Workshop on Requirements for the Internet of Things
- 1st International Workshop on Easy Approach to Requirements Syntax

IMPORTANT DATES

- Jun 12, 2018: Workshop Papers Due
- Jul 01, 2018: Early Bird Registration
- Aug 20, 2018: Industry Day
- Aug 22 - 24, 2018: Main Conference

LOCATION

The conference venue is the world famous Banff Centre

Banff is one of Canada's most popular tourist destinations, known for its mountainous surroundings and hot springs. It is a major destination for outdoor sports and features extensive hiking, biking, scrambling and skiing areas within the region.

RE'18 follows the theme "Crossing Boundaries and Increasing Impact"
